## About the Book

This book is designed to enable the students to understand the subject. The book is mainly designed to meet the requirements of Semester – IV of S.Y.B.M.S./B.F.M./B.B.I. students of University of Mumbai.

This book is prepared as per the Revised Syllabus of Course of S.Y.B.M.S./B.F.M./B.B.I. Programme at Semester IV which will come into effect from the Academic Year 2017-2018

It is also helpful for students appearing for professional and competitive examinations.

The rich experience I gained during the deliberations with the various senior faculty members has inspired to write this book.

The book covers topics such as Introduction to Macroeconomic Data and Theory, Money, Inflation and Monetary Policy Constituents of Fiscal Policy, Open Economy, Theory and Issues of International Trade

The comments and suggestions of our colleagues, students and well-wishers have been taken into consideration while preparing the final manuscript of the book.
