# ICT POLICY

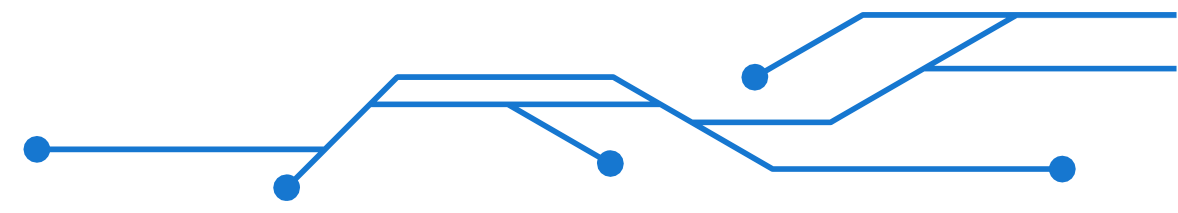

The Information, Communication and Technology (ICT) policy for the college is designed to support the use of technology in enhancing the educational experience for students and staff. The policy outlines the principles, strategies, and guidelines for effective and responsible use of ICT resources.

### **Objective of the Policy**

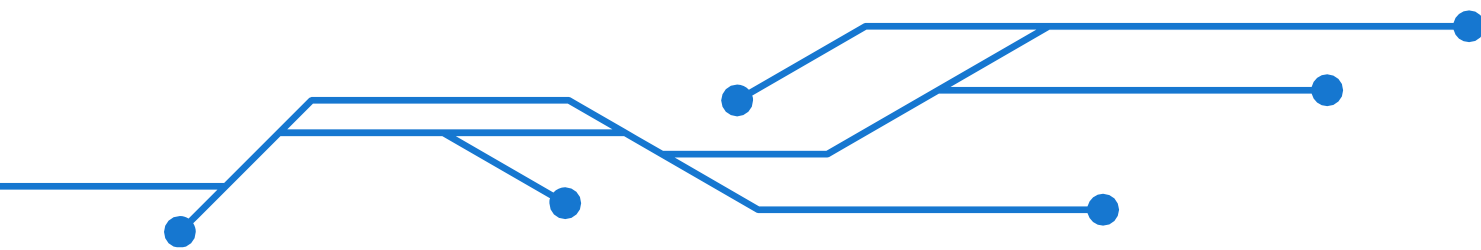

- To integrate ICT in teaching, learning, and administrative processes.
  - To ensure equitable access to ICT resources for all students and staff.
  - To enhance the quality of education through the use of modern technology.
  - To promote digital literacy and competence among students and staff.
  - To ensure the safe, secure, and ethical use of ICT.
- 

- The college will provide and maintain up-to-date hardware and software to support educational activities.
- The college will ensure reliable and secure internet access throughout the campus.
- A dedicated ICT support team is available to assist with technical issues and maintenance.

For the safety and security the college will implement measures to protect against cyber threats and ensure the security of ICT systems. The college will ensure the privacy and confidentiality of the available data.

The ICT policy for the College aims to create a technologically advanced and supportive educational environment for teaching, learning facilities. By adhering to this policy, the college will ensure that ICT resources are used effectively, responsibly, and ethically to enhance the educational experience.
