MVM Educational Campus Marg, Off Veera Desai Road, Andheri (West), Mumbai - 400 058

Policy of Scholarship or Freeship

M V Mandali's Colleges of Commerce & Science is committed to supporting underprivileged students through various scholarship and freeship opportunities. These financial aids are provided not only by our educational institution but also by NGOs and private entities as recommended by the institution. The institution actively promotes students to apply for various scholarships and freeships offered by the Government and other agencies. The coordinator of each Programme will inform the students about these opportunities. Students seeking more information are encouraged to approach the administration section, where the staff in charge of scholarships and freeships will provide detailed guidance.

Additionally, M V Mandali's Colleges of Commerce & Science follows The Mogaveera Vyavasthapaka Mandali's - Mumbai Policy of 30% fee refund to community students as financial support till 2023 - 2024 and it has been increased to 50% from 2024 - 2025. The institution encourages all eligible students to take advantage of this policy to ease their financial burden and ensure a smooth academic experience. Eligible students must apply within the specified timeline. The policy ensures educational support, with refunds processed upon verification and credited to their bank account.

Moreover, the institution offers fee discounts to students considering their merits and economic condition. This initiative aims to further alleviate financial pressures and make education more accessible to students from economically disadvantaged backgrounds. Students in need of financial assistance are encouraged to apply through their respective Programme Coordinators.

By actively promoting these opportunities and ensuring a smooth application process, the institution aims to alleviate financial burdens and enable all eligible students to pursue their academic goals without hindrance.

We remain committed to our mission of making quality education accessible to underprivileged students, reinforcing our core values of equality and support for all.

Approval and Amendment

This policy is approved by the management and will be reviewed periodically by the college administration. Amendments to the policy will be made as necessary as per the guidelines to address emerging needs and challenges.

By implementing this policy, M V Mandali's Colleges of Commerce & Science aims to create a responsive and responsible environment, making quality education accessible to underprivileged students, reinforcing our core values of equality and support for all.
