MVM Educational Campus Marg, Off Veera Desai Road, Andheri (West), Mumbai - 400 058

Environmental Policy

**Green Today,
Better
Tomorrow..**

PREAMBLE

In recognizing our responsibility as custodians of both knowledge and the environment, the college proudly unveils its renewed commitment to sustainability through our environmental policy. Our environmental policies aim to reduce our contamination, conserve natural resources, and promote environmental awareness among our students, faculty, and staff. Through innovative initiatives, we seek to minimize waste generation, optimize energy efficiency, and prioritize the use of resources. By fostering a culture of sustainability, we aim to inspire our community to become advocates for positive environmental change. Together, we strive to create a campus environment that not only supports academic excellence but also embodies our dedication to preserving and protecting the planet for future generations.

OBJECTIVES

- To foster environmental consciousness among students, and staff members.
- To reduce adverse effects of institutional activities on the environment and enhance campus health & well-being.
- To ensure long term sustainability.

POLICY

- Transitioning admissions, fee payments, and attendance processes online to reduce paper consumption.
- To conserve power, important to implement energy-efficient equipment and educate both staff and students on responsible energy usage.
- The institution should maintain the plantation area by planning trees with medicinal values.
- The college should support the planting of trees by giving saplings as gifts to invitees.
- To minimize adverse effects on the environment, trash created by institutional activities should be disposed of or recycled effectively.
- The college should conduct periodic environmental awareness, e-waste and plastic waste collection drives.
- The college should implement water-saving measures such as low-flow faucets, reporting leaks promptly etc.
